

Player Sponsorship

2011 Player Sponsorship Details:

Support the players who make this club the great club it is by sponsoring them this year. Your sponsorship helps the player involved by reducing their subscription fees by \$75 and also helps to promote your business or organisation. Not only will you help the players but you help the club as well.

By being a JETS player sponsor you also get a season membership which entitles you to entry at every home game. You also receive advertising with player details for display in the club rooms, and advertising on the club's official website. We'll even give you a copy for you to display at your business so you can show your customers how you are actively involved and supporting your community.

Example of Player Sponsorship Signage
(Copy displayed in club rooms and copy given to you)
